The family of David Henry, "Uncle Dave", would like to thank you for the assistance, love shown, and support that you gave to us during Dad's lengthy illness, and after his passing. Big thanks to Matt and Michelle Vaessen for the numerous things they did for us and all the ways to ministered to Dad. Thanks to all the family and friends that stopped by to sit with Dad and us as he was getting ready to go home.

Many thanks to family and friends who prepared food, came and ate with us, did some cleaning and yard work/cut grass. Thanks to all who donated food, beverages, supplies, for the funeral, and brought things to the house as Dad was preparing to leave his physical body. We would like to thank Barb, Tammy, Louise and family, and kitchen help for all they did to plan, shop, prepare, serve, and clean up. The meal was very lovely. Thanks to those who set up the chairs and then rearranged everything into table settings to set up for the meal afterwards while we were doing the ride around Kettle Point and at the cemetery. Thanks to those who stayed behind to help with the tear down of the tables and chairs and cleaned.

Dad had some wonderful nursing and PSWs. Special thanks to Josey and Annette, Kettle Point Health Services and Medical Transportation staff. Also thanks to the various nursing agencies and Palliative Care teams. It meant a lot to honour one of Dad's wishes to spend his final days at home surrounded by family and friends. All the above mentioned people, including family, allowed his wish to be fulfilled and gave the opportunity for more people to stop in and visit with him before he passed.

Thanks to the singers that came to minister to Dad at home and also at the service. Dad loved music so I would like to thank Krista and Pete Mueller; Gary Allen with Christy, Tammy, and Heather; Barb and Jake Taylor for ministering to him at home and during the service, as well as Nodin Cottrelle, Doug George, Jason George, and Jason Henry for the Honour Song and the Travelling Song. Thanks to Heather for delivering a wonderful Eulogy as it captured Dad perfectly. Thanks Christy for the various Readings during the service. Thank you to all who donated flowers, plants, cards, and cash to help with expenses. Thanks to the Kettle & Stony Point Band for the use of the Community Centre gym and kitchen for the funeral. Special thanks to the Kettle & Stony Point Staff for their assistance in the funeral and many other details.

Thank you to those who prayed for Dad and our family as they were much needed for our peace. The many stories and photos that were shared with us were very much appreciated as there was some that we had not saw before. All of the phone calls, text messages, and personal messages meant so much to us all. Thank you to Gilpin Funeral Chapel for the compassion they showed to us when we went in to plan the arrangements for Dad and everything they did to help us get through these days. Special thanks to Pastors John and Carole Lepore for being a Pastor to Dad and for speaking at the funeral services and at the committal afterwards. Thanks to the Pallbearers as you all were a special part of Dad's life. Speedy Bressette, Louise and Jackie George, Phil George, Chris Jones, Mark Milliken, and Jesse Nahmabin.

Thank you all for all your support shown to us. Family of David Henry

HONOURING

It's Back for 2022

Community Clean-Up

May - 26, 27
June – 2, 3 & June - 9, 10

Enter through the Public Works Department entrance
9390 Centre side rd. Kettle & Stony Point F.N.
Waste drop off time will be from 9-11am 1pm-330pm each day, Late arrivals will not be accepted until the following drop off date.

In response to Covid-19, Kettle & Stony Point will be accepting waste drop off for the Community Clean Up this year instead of the previous curbside collection method.
Dumpsters will be dropped off behind the Public Work Building to accommodate the community clean up and allow for public works to monitor the bins more closely.
Proof of residency will be required when paying for your spring clean-up
Public Works Staff will be on site to receive your waste and verify that you have paid the finance department.
Public Works staff will also be able to answer questions that you may have on which items will not be accepted
Cost will be $35.00 for a pick-up truck load, with a $20.00 minimum fee for small loads and individual items. Example – car trunk load, appliance, furniture.
If you are unable to get your items to the roads dept, for a $15 fee the Public Works will come to your location and receive the items – Items must be outside in bags/boxes limited to 2 front backhoe bucket loads. You must have someone to load items.

Items that will be Accepted:
renovation debris,
Yard Waste,
Household Garbage,
Mattresses, Furniture
Scrap metal, cut into reasonable length
Tires will be accepted this year

Items that will not be accepted:
Paints, Solvents, Chemicals
Flammable or Explosive materials
Compressed Gas Cylinders
Refrigeration items

For Questions Call – Chippewa's of Kettle and Stony Point Administration at 519-786-2125 or for the Public Works Dept. Call 519-786-4552

ABORIGINAL LEADERSHIP OPPORTUNITY YEAR (ALOY)

ALOY gives you a highly positive and productive academic year of educational and leadership experience at the Royal Military College (RMC), in Kingston, ON.

The ALOY program includes sports, field trips, leadership development, military training, cultural support activities, and individual learning plans. Through these learning plans, you will take part in individual and small group tutorials for pre-university(non-credit) and first-year university courses.

As part of the ALOY program, you will be enrolled at the RMC for an academic year as an Officer Cadet in the Canadian Armed Forces. During this time, you will receive a salary, free tuition and books. You may leave the program at any point in the year.

At the end of the year, provided you meet the academic requirements, you will be given the opportunity to apply to continue at RMC in a degree program as a member of the Canadian Armed Forces, under the Regular Officer Training Plan or you can apply to become a Non-Commissioned member (NCM) of the Canadian Armed Forces at any time.

ELIGIBILTY

To apply for this program you must:

- Be at least 16-years-old (parental or legal guardian consent required if under 18)
- Have completed Grade 12, Secondary V, or the GED in the current academic year
- Meet the Canadian Armed Forces common enrolment medical standard
- Be an Indigenous person and a Canadian citizen

FORCES JOBS EMPLOIS
Canada

SUMMER TRAINING PROGRAMS

The Canadian Armed Forces (CAF) offers five summer training programs that are six weeks in duration, combining military training with cultural awareness.

The CAF will pay for your travel to and from the program and will provide living accommodations, food, clothing and all equipment. While you are in the program, you are a member of the CAF and as such you will be paid for your participation.

Go to FORCES.CA to see which exciting summer training opportunity is right for you.

ALL FIVE SUMMER TRAINING PROGRAMS

BEGIN WITH A FOUR-DAY CULTURE CAMP. THE CAMP IS DESIGNED TO EASE THE TRANSITION FROM A CIVILIAN TO MILITARY LIFE-STYLE. THE CULTURE CAMPS FOCUS ON COMMON SPIRITUAL BELIEFS AND ARE LED BY INDIGENOUS ELDERS.

FORCES

JOBS EMPLOIS

National Defence / Défense nationale

Community Notice
For Kettle & Stony Point FN
May 6 2022

Lambton Public Health has identified the Pinery Park and 20km surrounding area, as high risk for Lyme disease due to the increased BLACKLEGGED TICK population. There has been an increase in the number of ticks positive for the bacteria that causes Lyme disease.
If bitten by an identified blacklegged tick from this area and surrounding area, it is recommended you consult your Health Care Provider.
NEWS Release: Lambton Public Health, May 5 2022

Blacklegged Tick ***(Ixodes scapularis)***

adult female | adult male | nymph | larva

Bullseye rash:

Lyme disease is an infection transmitted through the bite of an infected blacklegged tick. The majority of human cases occur as a result of exposure to areas known to have infected blacklegged ticks. Early symptoms may include fever, headache, muscle and joint pain, fatigue and an expanding red rash. The best prevention is to avoid tick bites by using insect repellent, wearing proper clothing, removing ticks as soon as possible after bites and removing tick habitats from around the home.

When you are outside, you should always do a check on yourself and family for ticks.
If you need to REMOVE a TICK:

1. Use clean, fine-tipped tweezers to grasp the tick as close to the skin's surface as possible.
2. Pull upward with steady, even pressure. ...
3. After removing the tick, thoroughly clean the bite area and your hands with rubbing alcohol or soap and water.

Never crush a tick with your fingers.

If you have been bitten by a tick, PLEASE bring the tick, to the Health Centre so it can be sent for lab testing. The tick can also be safely removed by a Health Care Provider at the Health Centre (normal business hours) . For lab testing, we will need location of exposure and your address.

519.786.5647
519.786.4541 - fax
Face Book -Kettle Stony Point Health Services
A-6275 Indian Lane
Kettle & Stony Point FN, ON N0N 1J1

Lyme Disease symptoms:

- begin 1-2 weeks after the tick bite, but can occur from 3 days to a month later
- start with a bull's-eye rash around the tick bite (not everyone gets a bull's-eye rash)
- following the rash may include fever, fatigue, headache, muscle and joint pain, and swollen glands

Treatment is available when the disease is in its early stages. Complications involving the heart, nervous system and joints may occur if left untreated. Contact your health care provider as soon as possible if you think you have been exposed to Lyme Disease.

PROTECT YOURSELF FROM TICKS!

- ☑ COVER UP!
- ☑ USE INSECT REPELLENT!
- ☑ DO A BODY CHECK!
- ☑ REMOVE ATTACHED TICKS IMMEDIATELY!

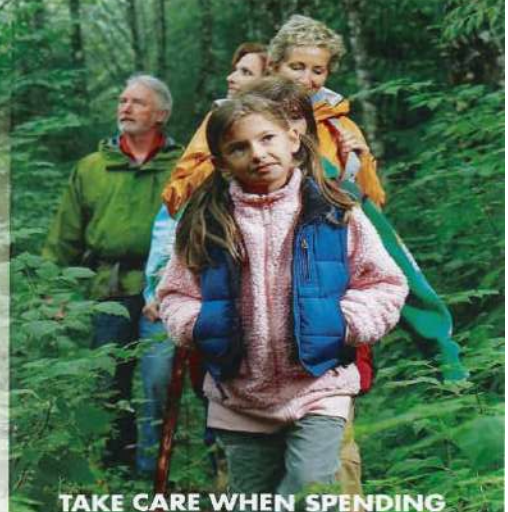
Let's Target Lyme!

LambtonPublicHealth.ca

PROTECT YOURSELF AND YOUR FAMILY MEMBERS FROM TICKS!



TAKE CARE WHEN SPENDING TIME OUTDOORS IN WOODED OR GRASSY AREAS

What is Lyme Disease?

Lyme Disease is and infection caused by a bacteria that can spread to humans through the bite of an infected tick.

Not all ticks carry Lyme Disease. In Ontario, the tick that is known to transmit Lyme Disease is the Blacklegged (Deer) tick.

What are Blacklegged Ticks?

Adult Blacklegged Ticks are about the size of a sesame seed or smaller with distinct reddish colouring on their backsides. They move slowly, cannot fly, and feed on blood to grow and develop.

Blacklegged Ticks need deer for their blood meal but they can feed on humans when we enter their space.

Ticks position themselves on tall grass and bushes, and wait to attach themselves to animals walking by.

They may travel around the body for several hours before finding a place to feed. A tick can remain attached for up to three days to feed on blood. In this time the tick's body changes and becomes full of blood (engorged).

BLACKLEGGED TICK

ENGORGED TICKS

Where are Blacklegged Ticks in Ontario?

The province continues to track where infected – and uninfected – blacklegged ticks are found. Blacklegged ticks are spreading to new areas of the province due to climate change. They can also spread by traveling on birds and deer.

While the probability is low, it is possible to encounter a blacklegged tick almost anywhere in Ontario. In Lambton, the Pinery Provincial Park and surrounding area on the shore of Lake Huron has been identified as a risk area for encountering blacklegged ticks.

Public Health Ontario updates a provincial map online to display all risk areas - www.publichealthontario.ca.

How do I protect myelf?

- Wear light coloured clothing to make it easier to see any ticks on your clothes
- Cover yourself up when walking in grassy or wooded areas
- Wear long sleeves with tight cuffs and long pants that are tucked into socks
- Wear closed-toe shoes
- Use insect repellent containing DEET
- After spending time outdoors check yourself, family members, and pets for ticks
- Submit ticks removed from a person to Lambton Public Health for identification and testing (if required)

Let's Target Lyme!

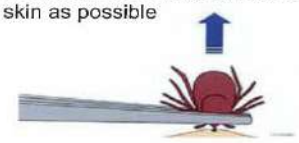
What can I do if I find a tick attached?

A tick must be attached for at least 24 hours to transmit Lyme Disease.

Attached ticks should be removed as soon as possible. Let's Target Lyme!

Tick removal:

- Wear gloves if possible
- Use fine-tipped tweezers and grasp the head of the tick as close to the skin as possible



- Pull the tick upwards, steadily and firmly
- Clean the bite site once the tick has been removed
- Wash your hands with soap and water
- Save the tick in a container with a tight fitting lid for submission to your local health unit
- Do not smother, burn, or squeeze the tick, as this could increase your chances of infection

Circle of Discovery Wholistic Counselling

Roxanne White MSW, RSW

A community minded wholistic practice which uses a trauma informed, anti-oppressive approach. Using strategies from leading frameworks as well as traditional healing methods.

Life is full of challenging times and everyone needs a helping hand occasionally. I support clients in identifying the issues surrounding those challenges that are stopping them from experiencing their lives to the fullest.

I can support you in the following areas:

- **Grief and Loss**
- **Stress, Anxiety, Low Mood and Depression**
- **Healthy relationships**
- **Mental health & Addictions**
- **Support for those who have a family member with a mental illness**
- **Cultural Identity**

Currently servicing clients in person at the family wellbeing office in Kettle Point or telephone/online

Appointments and inquiries can be made on my website at www.circleofdiscovery.ca or by calling 519-464-2270

***Counselling fees are covered through Indigenous Services Canada for those who qualify for NIHB *Approved Sunlife provider**

*Independently owned and operated. *Not affiliated with any other organization.

Community Wellness and Protection Virtual Training Sessions

Psychological First Aid – Care for Self and Care for Others

Participants will:

- Gain a personal understanding of the effects of stress, loss, trauma, and grief, with emphasis on self-care.
- Be introduced to the Red Cross *Look, Listen, Link, Live* model and learn how to cope with the effects of various types of stress.
- Gain an understanding of how to recognize when a person is feeling distress and how to offer help without judgement or assumptions.
- Fill out a personal Self-Care Plan.

COVID Fatigue and Self-Care Strategies

Participants will:

- Gain an understanding of emotional stress in a disaster and how the pandemic is impacting people's mental and physical heath.
- Explore the warning signs of COVID fatigue and understand the causes.
- Learn how stress and trauma impacts the brain.
- Find balance through self-care strategies.
- Practice breathing techniques.
- Practice laughter as a stress buster.

Suicide Awareness and Response

Participants will:

- Discuss Myths and Facts of Suicide.
- Learn some of the reasons why people think about suicide.
- Review the signs and clues of suicide.
- Understand how to support someone who is having thoughts of suicide.

Bullying Prevention

Participants will:

- Challenge assumptions about bullying.
- Know the difference between teasing, bullying and conflict.
- Explore intervention strategies for individuals, parents and schools.

Healthy Relationships

Participants will:

- Understand the characteristics of a healthy relationship.
- Identify different communication styles.
- Learn skills for de-escalating conflict.
- Recognize the types of violence in dating relationships.
- Understand the legal responsibility of gaining consent.

Wellness Sessions for Youth

Participants will:

- Understand the types and signs of stress, anxiety and how to manage emotions.
- Learn self-care strategies and identify circles of support.
- Build healthy relationships: bullying prevention and conflict resolution.
- Understand racism, colonization and decolonization.

Email: sislp@bcands.bc.ca - Website: https://www.bcands.bc.ca/isslp/

2022

Dear Friends / Colleagues / Students

I hope this email finds you well. I am contacting you today from Indigenous Disability Canada (IDC). IDC is an internationally recognized and award-winning, not-for-profit, Indigenous disability organization operating since 1991.

I want to inform you of our **Support for Indigenous Student Learning Program or SISLP**. The SISLP is a time-limited program available through application, to Indigenous students who have limited financial resources, including those students living with disabilities.

Successful applicants will receive a new laptop or other eligible technology support necessary to assist in their studies. Our goal through the SISLP is to assist Indigenous students in their continued educational success and participation, and as eventual leaders in Canada. We are now accepting applications from eligible Indigenous students across Canada. The program is designed to end in March 2023. However, it might be shortened and upon the amount of application we received. So, I would Recommend applying sooner than later.

Last year through the SISLP, IDC awarded over $800,000 worth of new laptops and technology, and this year we will be awarding another $2.5 million to successful Indigenous student applicants across Canada.

Indigenous students of **any age** are eligible as long as they are of low-income, enrolled in a Formal educational program or school at any level from kindergarten to postsecondary or taking courses through an accredited institution (online, remote, or on-site), and actively attending their classes. Students can reside within **any province or territory** including within Indigenous and non-Indigenous communities.

You are receiving this letter as we are hoping you can assist us in promoting, coordinating, and identifying potential applicants for this program. I have attached an application form that also includes more information and for the purpose of photocopying, and a poster should be an opportunity to post. Please feel free to circulate this, and please inform any student, parent of students and schools who could benefit from this program!

For more information on the SISLP and to download the application form, please visit: https://www.bcands.bc.ca/isslp/ or email us at sislp@bcands.bc.ca

Thank you for your attention and assistance! Stay well.

Sincerely,

Aifang Qiao
Program Coordinator

A policy that creates and manages a Trust Fund established by Council to assist families in need when there is no other source of funds available to cover the cost of a funeral and burial, including cremations, at the time of a loss of a loved one.

The Trust Fund is a set amount to include the cost of the funeral service / cremation fees, basic casket, basic headstone, burial vault (if required), and burial costs. The Fund does not cover flowers, or any updates to the basic casket or headstone chosen by the family, but can include a purchase order through Points Preference Supermarket for meal costs for the day of the Funeral.

Chippewas of Kettle & Stony Point First Nation

How to apply:

Please contact Corrinda Jackson, Membership / Estates / Governance Administrator. A written request for funding must be submitted by the appointed or confirmed Administrator or Executor. An application is available for this purpose and can be obtained at the Administration office.

This application includes signed confirmation that the person applying is the family appointed or confirmed Administrator or Executor. The applicant is also confirming there is no other sources of funds available such as an insurance policy OW or ODSP support, or that the deceased did not pre-plan and pre-pay their own funeral, and that the estate of the deceased does not include sufficient funds to cover the cost.

Finally, the applicant will confirm that he / she will reimburse Council any funds they do receive from sources such as Indian Affairs, Canada Pension Death Benefits, or other sources of benefits specific to funeral and burial costs.

The full policy, complete with application, is available upon request.

Attention: First Nation Members

In the unfortunate event of the passing of a First Nation Member, please contact Shannon.bressette@kettlepoint.org at (519) 786-2125 during regular office hours for the lowering of the community flags.

Fact Sheet: Standards of Care for Dogs Kept Outdoors under the PAWS Act – Summary of Requirements (As of July 1, 2022)

Tethers:

Tethers must:

- Permit 3 metres of horizontal movement
- Allow the dog to move about safely
- Be a size, type and weight that won't cause discomfort or injury
- Have a swivel at both ends
- Be in good condition and well-attached to prevent escape

Collars and harnesses used with a tether must be of a size, type, design and fit that won't cause discomfort or injury

When tethering a dog kept outdoors, an owner/custodian must not:

- ⊗ Use a **choke, pinch, prong, slip, head halter or martingale collar**
- ⊗ Tether **dogs under 6 months or that are in heat, whelping or nursing**
- ⊗ **Cause undue distress,** including because of the age, health or reproductive status of the dog or objects or hazards they can reach

Housing Pens:

Use of housing pens must not **cause undue distress** and housing pens must be constructed to prevent escape and provide protection from predators.

Housing pen minimum size must be scaled to the height of the dog (measured at shoulder):

- **1.5m²** for each additional dog housed in the same pen (with exceptions)

Height (cm)	Area (m²)
70 or greater	15
>= 40 and < 70	10
>= 20 and < 40	6
less than 20	4

Aggressive dogs must not be housed together, and **dogs in heat or coming into heat** must not be housed with male dogs (with exceptions)

Housing Pen and Tether Area:

Must provide enough space for **natural behaviours** and **distinct areas** for feeding and drinking and defecating and urinating

Dog must not be forced to stand, sit or lie in feces, urine, mud or water; area must be cleaned as needed to prevent the accumulation of waste; **keep sanitary and minimize parasites**

Additional Standards for Dogs Tethered Outdoors:

Dogs tethered outdoors for 23 hours in a 24-hour period, whether the 23 hours are consecutive or not, must be taken off the tether for at least 60 continuous minutes to allow for exercise and enrichment (with exceptions)

Note: the definition of "kept outdoors" does not apply to this requirement

The full text of the regulation is available at the Ontario e-Laws website. This document is intended to provide a summary only and is not legal advice. If there is any conflict between this document and the regulation, the regulation is the final authority. Produced April 2022.

Ontario

Fact Sheet: Standards of Care for Dogs Kept Outdoors under the PAWS Act – Summary of Requirements (As of July 1, 2022)

Shade, Shelter and Protection from the Elements:

Sufficient protection from the elements to prevent heat or cold-related distress, and **shade** as required by the weather, including to protect from direct sunlight

A dog shelter, available at all times, that:

- Is waterproof and provides protection from the elements
- Is structurally sound and does not cause injury
- Has an insulated roof, a level, elevated and dry floor, and is ventilated
- Has a doorway free from obstructions
- Has bedding at least 3 inches thick, changed as needed to stay clean, dry, comfortable and unsoiled

A dog "kept outdoors" is a dog that is outdoors for more than 60 minutes without its owner or custodian present

Size of the shelter must allow all dogs using it to turn around, lie down with their legs extended and stand with their heads held at normal height

Livestock guardian dogs and dogs with access to a structurally sound building used to house livestock do not require a dog shelter

Food and Water:

Food that meets daily caloric requirements, is fit for consumption, not spoiled and does not contain dirt, feces, urine or toxic substances

Water at all times that is not frozen, does not contain dirt, feces, urine or toxic substances, and is replaced at least once every 24 hours

Food and water containers must be constructed to avoid injury and difficulty accessing food and water

Health and Grooming:

Daily health and welfare checks

Isolation from other healthy dogs if the dog is at high risk of or suffering from a contagious disease (with exceptions)

Dogs must not be kept outdoors if they have an injury or illness that affects their ability to regulate temperature or restricts mobility (with exceptions)

Grooming, as needed, of nails and to avoid matting of the dog's coat or accumulation of ice or mud on its coat or under its paws

The full text of the regulation is available at the Ontario e-Laws website. This document is intended to provide a summary only and is not legal advice. If there is any conflict between this document and the regulation, the regulation is the final authority. Produced April 2022.

Kettle & Stony Point FN, ON N0N 1J0

Re: Indian Day School USB Information Package

We write to provide information regarding the Indian Day School class action. Since claims cannot be amended after they have been submitted, Claimants are strongly encouraged to carefully complete their Claim Form before submitting it to the Claims Administrator (Deloitte) to avoid delays. **Claimants can reach Class Counsel for help at 1-844-539-3815 or by email: dayschools@gowlingwlg.com.** This contact information is also on the cover page of the Claim Form and on page 5 where the Claimants signs the form.

Please note that the deadline to submit a Claim Form is July 13, 2022, leaving approximately two months for Claimants to file their Claim Form. That said, the Settlement Agreement provides a possible **extension period of six (6) months – extending the deadline to January 13, 2023**.

Once the deadline of July 13, 2022 has passed, if someone was unable to file a claim during the initial 2½-year claims period – due to unique impacts from the pandemic, or another extraordinary circumstance – then the Claimant can submit an Extension Request Form to seek the six (6) month extension. However, the Extension Request Form cannot be filed before the July 13, 2022 deadline. The form will be available online after the claims period has closed.

We encourage Claimants to submit a claim by July 13, 2022, rather than completing an additional form and having to rely on the Exceptions Committee to grant the six-month extension. Class Counsel remains free and available to assist at **1.844.539.3815**.

Please also note that mental health support is available to Claimants 24 hours a day, 7 days a week through the Hope for Wellness Hotline at **1-855-242-3310** or online at www.hopeforwellness.ca. Counselling is available in English, French, Cree, Ojibway and Inuktitut, on request.

For those that do not have access to the internet, please find enclosed a USB with useful resources to help Claimants complete their Claim Form, including:

- the Claim Form;
- Frequently Asked Questions;
- Mental Health Resources;
- an educational video that walks Claimants through the Claim Form step-by-step;
- Infographics on various topics related to the claims process, including roles of the parties and tips for individuals who are applying on behalf of a loved one that passed on or after July 31, 2007 (estate claims).

We encourage you to share this information broadly. If you have any questions please contact us at **1-844-539-3815** or by email at dayschools@gowlingwlg.com. We can advise in English, French, Cree and Inuktitut.

Thank you for your continued support and patience throughout this process.

Sincerely,
Gowling WLG (Canada) LLP
