**RE: LAND USE PLAN**

---

We would like to thank the members who contributed with the development of our Land Use Plan. The feedback we received from your attendance at the community meetings, through filling out the survey or dropping by the office to share your visions/ ideas were crucial in this process.

The Land Use Plan zoning map that Chief and Council has approved is posted on the website for view.

A summary report will be in the members-only secured portion of the website in which you will need your log-in information to access.

If any band member wishes to view the full Land Use Plan, you can call the Negotiations department (519) 786-2125 and make an appointment with Lawrence Fogwill, Amanda Bressette or Verna George.
