RE: Hillside Closure, March 14, 2020 to April 4, 2020

Education Services for Kettle and Stony Point First Nation is aware that the Ontario Minister of Education has ordered that all Ontario schools remain closed from March 14 to April 5, 2020, in response to the emergence in Ontario of COVID-19. The decision has been made for Hillside School to also be closed to students during this time. We are still gathering information; please expect further communications to continue.

Please be assured that Hillside School is safe, and this decision is a proactive measure to support the health and well-being of our children and our community. The health and safety of our students and staff is a top priority for KSPFN Education Services.

As with all health-related matters, KSPFN Education Services takes direction from the local and provincial Medical Officers of Health and the Public Health. Regular updated communication will be provided if the situation changes.

We appreciate your ongoing support in ensuring safe and welcoming school environment for students and staff.
