RE: Hillside, DayCare and Aboriginal Headstart Closure to May 31, 2020

The Ontario Ministry of Education has extended the closure of all publicly funded schools until May 31, 2020 due to ongoing concerns with the COVID-19 virus. The decision regarding the remainder of the school year will be determined within the next few weeks. At this time, the Ontario Ministry of Education has no plans to extend the current school year;

Therefore, the Community Control Group (CCG) of Chippewas of Kettle and Stony Point First Nation have decided that Hillside School, Headstart and the Daycare will continue to remain closed until further notice.

Education Services is currently providing weekly lessons and learning opportunities. Each classroom teacher has set up virtual classrooms using either See Saw or Google classroom. In addition, there are weekly visits delivering requested paper assignments. Many of the activities and suggestions are posted to our Hillside School Facebook Page. Please do not hesitate to reach out to the school and the classroom teachers since we are all on this same learning curve during these challenging times.
