DRAFT: Posting to Community Members

ATTENTION TO ALL BAND RENTAL TENANTS AND ACTIVE LOAN HOLDERS

The KSP Housing Department and Committee are planning for future possible financial hardships that may occur due to COVID19. If you have experienced any financial loss, or predict you will be facing future financial loss due to COVID19 please reach out to the Housing Department.

Please continue to make your regular monthly rental or loan payments. All data will be compiled and approved by the Housing Department and Committee to aid band rental tenants and loan holders should there be financial loss due to COVID19.

There will be an application for the aid, and proof of financial loss must be submitted.

Please contact Alison at Alison.Price@kettlepoint.org or 519-918-5272 to aid with setting a financial plan for during and after the pandemic subsidies.

Please make any necessary edits where needed, and I will forward this information to Community once this post has been approved to be sent out.
