

NOTICE TO KETTLE AND STONY POINT ELECTORS

Dear Electors:

In the matter of the Kettle & Stony Point Council Election to be held November 13, 2020

I have taken notice that the ballot for **COUNCILLOR** that was recently mailed to off-reserve resident electors contains an error in the name of a candidate (the middle initial of the candidate is incorrect).

Please be advised that the candidate for Councillor,

BRESSETTE, Erica G. is a misprint.

The correct spelling of the name is BRESSETTE, Erica D.

Ballots will not be re-printed.

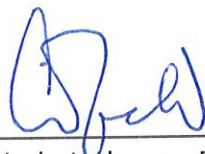

Votes intended for candidate, BRESSETTE, Erica D.

should be cast for the misprint of BRESSETTE, Erica G.

as shown on the ballot

If you have received a mail-in ballot AND you have already cast your ballot AND if you feel this notification has had effect on how you have cast your ballot, please notify myself and you will be provided another ballot.

I regret any confusion this error may have caused. I have notified the candidate directly of the error/misprint and of this notification to the Kettle and Stony Point electors.
