As some of you may be aware, Chief Jason Henry notified the community via his personal Facebook page that he will be seeking the federal MP seat for the Lambton-Kent-Middlesex riding as an NDP in the upcoming Federal election in September 2021.

At Council's August 16, 2021 meeting, he requested a leave from Council to focus on his campaign. Council approved his request for the period of August 17, 2021 to September 20, 2021. Senior Councillor and former Chief, Liz Cloud has been appointed Acting Chief during this time.

Council wishes Jason the very best in his endeavour in the upcoming vital election. It was noted during the Council meeting that First Nations people must be better represented in both provincial and federal elected positions.

Council and administration will of course continue on and move forward with regular business. Should you wish to reach A/Chief Liz Cloud, she can be reached at the Administration Office Monday – Friday at 519-786-2125 and is occupying the office across from the reception area.

In closing, we would like to encourage our membership to participate in the upcoming Federal election – get informed on each Parties agenda, ask questions and cast your vote.

In Unity,
