Aanii/Sago,

My name is Claire Sault (Migisikway) and I'm from the Mississuagas of the Credit First Nation (commonly known as New Credit).

I'm thrilled to join the Leadership and Administration of Kettle & Stony Point First Nation and look forward to working with the Chief and Council and staff on the priorities, initiatives, programs and services for the community.

I'm very excited to meet the community members as well and gain a better understanding of the community dynamics that have worked well in the past and to establish a successful progression forward.

As I hit the ground running, I look forward to meeting you in the near future as I engage myself to join you in the vision of Kettle & Stony Point First Nation.

Claire Sault
