

VACCINATION CLINIC INFORMATION

If you missed any of our past vaccination clinics, don't worry! There's still time!

ADULT CLINIC (12 years of age +)

Thursday morning, December 2, 2021

Morning appointments available for the following:
1st Dose, 2nd Dose, or the 3rd Dose Booster Shot

* Remember: If you register to receive a 3rd Dose Booster Shot, 6-months must have gone by since you receive your 2nd Dose Vaccination.

CHILDREN'S CLINIC (5 – 11 years of age)

Thursday afternoon, December 2, 2021

* Although we are taking advanced registration, the Kettle & Stony Point Health Services is still waiting for key information, including new consent forms, from Public Health.
