

2023 Deer Cull

KSPFN is looking for a Volunteer Community Member to organize this year's Deer Cull. This entitles 2 qualifying shoot dates and one week at the Pinery. The Community Member will work closely with Parks Ontario and ensure that all safety measures are met. She/he will report and address all safety related concerns raised by Ontario parks staff and/or KSPFN participants, and communicate with the Ontario Parks staff. They will work with the Ontario Parks staff to request consent from participants to contribute scientific data from deer carcasses. The KSPFN Community Member is responsible for ensuring that the KSPFN participants are proficient in the use of firearms and act in a safe manner at all times.

For further information, review KSPFN's website. Please submit your name to Melodie Bressette at 519-786-2125 ext. 119 or mel.henry@kettlepoint.org
